

LOCAL SCOUT GROUP RELAUNCHES

The Scout Group in Sedlescombe is reopening this month after being dormant for the last couple of years. The Cub Scout Pack will open first, followed by the Scout Troop later on during the year. Local Cub Scouts were on Sedlescombe Green during Saturday 22nd April having fun and showing the Village what they plan on getting up to! Bouncy castles, catapult building and tent pitching competitions were just a few of the activities being done by the Young People. Group Scout Leader, Kevin Barton, said 'We've had a lot of interest from local families and we are really keen to get the Group going again.' The Group meets on Fridays at The Scout Hall, East View Terrace. For more information on joining the adventure in Sedlecombe, please contact Kevin on 01424 729892.
